Answer

(a) to (d) The Government is implementing the scheme of Vocationalisation of secondary and higher secondary education under the umbrella of Rashtriya Madhyamik Shiksha Abhiyan (RMSA) from Class IX onwards across the Country. The scheme seeks to integrate vocational education with general academic education. The aim of the scheme is to prepare educated, employable and competitive human resource for various sectors of the economy and the global market. It envisages close partnership with the industry in the design, development, delivery, assessment and certification of skills content. Till 2015-16, 3654 schools across 31 States/Union Territories have been approved under the scheme across various sectors including Agriculture, Apparel, Automobile, Beauty & Wellness, Banking/Financial Services & Insurance, Construction, Health Care, IT & ITeS, Logistics, Media & Entertainment, Physical Education & Sports, Retail, Security, Telecom, Travel & Tourism.

Further, Government of India through All India Council for Technical Education (AICTE) has sanctioned the 'Community College Scheme' to set up 200 pilot Community Colleges in existing Colleges/Polytechnics with effect from the academic session 2013. These Colleges offer credit based courses which allow multi-point entry and exit for skill up-gradation or in employment market and allow re-entry into higher education. AICTE has released financial assistance to 74 Community Colleges across the Country. Details of these Community Colleges/Polytechnics are attached at Annexure-I. Further, various vocational courses are running in the Community Colleges across the Country including Rajasthan and State-wise break-up of these colleges is attached at Annexure-II.
